Carriers

Human Resources oversees as much, or as little, as needed. Focus precious time and energy on other tasks.

Human Resources

As an optional service, Benelogic can manage eligibility with carriers.

**Carrier feeds are automatically included for Benelogic Control™ clients using our Retiree Billing services.*

Retirees are important to a company's identity. After all, these dedicated former employees helped make your company what it is today. But in an economy with tight budgets and even less staff, it's difficult to give them the attention and priority they deserve. That's where Benelogic can help. Managing benefits eligibility is our strength and what sets us apart from everyone else. We understand the questions people have and we know the ripple effects that inaccurate, incomplete and delayed data collection may have. We utilize our strengths in managing benefits eligibility, our extensive vendor relationships and our customer service experience to provide our clients a win-win-win situation.

Benelogic provides a range of intuitive web-based benefit management solutions and services that save you time, money and aggravation. We combine our knowledge and experience with the power of technology to deliver products and services that meet REAL needs in an ever-changing world.
